

*Your influence begins with you and ripples outward. --Lao Tzu*

# MentoringinAction.com

A high-speed photograph of a single water droplet falling into a pool of water. The droplet is captured mid-fall, just above the surface, with a small splash of water below it. The impact has created several concentric ripples that spread outwards from the center. The water is a deep, vibrant blue, and the lighting highlights the droplet's surface and the ripples' edges.

*The Mentoring in Action Team is a group of dedicated teacher leaders who offer expertise and resources in the spirit of “paying it forward” to support the success of students.*

*Our mission is to empower mentors and novice teachers in realizing their full potential as effective teachers and emerging leaders.*

# Transform Education for Students by Supporting and Retaining Effective Novice Teachers!
